SECTION 1 - COVERAGE

Theft Coverage

This policy covers theft or attempted theft of the insured vehicle.

The maximum coverage limit is 15000 USD.

The deductible is 2000 USD.

Coverage eligibility must be evaluated against the policy version active on the incident date.

SECTION 2 - EXCLUSIONS

The policy does not cover driving under the influence of alcohol or prohibited substances.

The policy does not cover driving without a valid license.

The policy does not cover unauthorized commercial use of the vehicle.

If an applicable exclusion is established, the claim must be rejected.

SECTION 3 - CLAIM CONDITIONS

The incident must occur between 2026-01-01 and 2026-12-31.

The claim must contain a valid description of the incident.

The insurer may review claims for anomalies or suspicious circumstances.

The incident date determines the applicable policy version.

SECTION 4 - ADJUDICATION

Eligible claims may be approved subject to the coverage limit and deductible.

Claims that fall under an applicable exclusion must be rejected.

The approved amount must be calculated deterministically by application code.

The final approved amount must not exceed the coverage limit.

AI may recommend and explain evidence but must not invent policy terms or perform the final financial calculation.
