

COMPREHENSIVE AUTO INSURANCE POLICY

Policy Number: POL-1005

Policy Version: 1

Tenant: Tenant B

Effective From: 2025-01-01

Effective To: 2025-12-31

This synthetic document is created for DomainCopilot RAG testing and contains no real personal data.

SECTION 1 - COVERAGE

Glass Coverage

This policy covers accidental damage to covered vehicle glass.

The maximum coverage limit is 2000 USD.

The deductible is 500 USD.

Coverage eligibility must be evaluated against the policy version active on the incident date.

SECTION 2 - EXCLUSIONS

The policy does not cover unauthorized commercial use of the vehicle.

The policy does not cover intentional damage to the insured vehicle.

The policy does not cover racing or competitive driving.

If an applicable exclusion is established, the claim must be rejected.

SECTION 3 - CLAIM CONDITIONS

The incident must occur between 2025-01-01 and 2025-12-31.

The claim must contain a valid description of the incident.

The insurer may review claims for anomalies or suspicious circumstances.

The incident date determines the applicable policy version.

SECTION 4 - ADJUDICATION

Eligible claims may be approved subject to the coverage limit and deductible.

Claims that fall under an applicable exclusion must be rejected.

The approved amount must be calculated deterministically by application code.

The final approved amount must not exceed the coverage limit.

AI may recommend and explain evidence but must not invent policy terms or perform the final financial calculation.
