Policy Version: 1

Tenant: Tenant A

Effective From: 2025-01-01

Effective To: 2025-12-31

This synthetic document is created for DomainCopilot RAG testing and contains no real
.personal data

SECTION 1 - COVERAGE

Theft Coverage

.This policy covers theft or attempted theft of the insured vehicle

.The maximum coverage limit for Theft Coverage is 14500 USD

.The deductible applicable to this coverage is 2000 USD

.The incident date determines which policy version is applicable

SECTION 2 - EXCLUSIONS

.The policy does not cover racing or competitive driving

.The policy does not cover intentional damage to the insured vehicle

.The policy does not cover unauthorized commercial use of the vehicle

.An applicable exclusion requires rejection of the claim

SECTION 3 - CLAIM CONDITIONS

.The incident must occur between 2025-01-01 and 2025-12-31

.The claim must contain a valid description of the incident

.The insurer may review the claim for anomalies or suspicious circumstances

.Claims must be evaluated against the policy version active on the incident date

SECTION 4 - ADJUDICATION

.Eligible claims may be approved subject to the applicable coverage limit and deductible

.Claims that fall under an applicable exclusion must be rejected

.The approved amount must be calculated deterministically by application code

.The final approved amount must not exceed the coverage limit

AI may recommend a decision but must not invent policy terms or perform the final financial
.calculation
